CONCESSIONS ASKED BY CANADA FROM FRANCE.

III. The reduced rates of duty on certain articles of Canadian origin provided by Article III of the Treaty of the 6th of February, 1893, shall be continued.

GENERAL PROVISIONS.

V. The Treaty of 1893 to be terminated and a new Treaty to be substituted.

VI. The Treaty shall be for a period of ten years. After the termination of ten years the Treaty shall continue to be in force but may be terminated by either party after six months notice.

VII. The reduction of duties on Canadian articles imported into France shall apply only to direct imports and the reduction of duties on articles imported into Canada from France shall apply only when the articles are imported direct from France or by way of Great Britain and landed at a Canadian port.

VIII. If in the case of any article which when imported into France is now subject to the duty of the General Tariff, there being no Minimum Tariff rate, France shall hereafter place such article on the Minimum Tariff list, then such article when imported direct from Canada into France shall receive the benefit of the Minimum rate so established.

7-8 EDWARD VII., A. 1908

NOTE IN REPLY TO THE MEMORANDUM FORWARDED OFFICIALLY BY THE CANADIAN
DELEGATES ON JULY 25, 1907.

The two principal clauses of the memorandum forwarded by the Canadian delegates are:—

1. The exchange of the Canadian intermediate tariff for the French minimum tariff;
2. The guarantee during the whole term of the treaty of the present minimum and intermediate tariff rates.

With great regret the French Government are unable to agree to these two propositions : to the first, because the law of the 11th January, 1892, section 1, subsection 2, authorizes the granting of the minimum tariff only to countries granting to French products their lowest tariff rates, and the Canadian intermediate tariff cannot be recognized as of this character ; to the second, because it is a principle in French customs legislation that the administration cannot renounce its right to revise or modify the tariff. If some exceptions to this rule have been made, they have been the result of special circumstances and for a very brief period. The French delegates, however, are of opinion that the convention of the 6th February, 1903, without changing its principles, would furnish the best basis for negotiations. It would be sufficient to extend its scope.

SESSIONAL PAPER No. 10b

ELYSÉE PALACE HOTEL,
PARIS, August 22, 1907.

SIR,—Referring to the interview with which you were good enough to favour me in London a few days ago, in connection with the commercial negotiations between the representatives of the French and Canadian governments, I have the honour to inform you that, although definite conclusions have not been reached respecting any of the questions under discussion, such progress has taken place in the negotiations as leads us to believe that within a few days we shall be able to submit for your approval a draft of a treaty which will be acceptable to the French government. In anticipation of this satisfactory result, my colleague, Mr. Brodeur, and myself request the good offices of your department in facilitating formal steps for the completion of the treaty as soon as possible after the draft has received your approval.

We presume that after a protracted and laborious session, you may be absent from London at the time when we shall be prepared to bring the matter before you. May we venture to hope that if you are likely to be away, the proper officers of your department may be instructed to receive us and to assist in advancing the business with all reasonable speed? Perhaps it would be convenient to arrange at once for the preparation of the necessary authority to the ambassador and the Canadian ministers for the signing of the treaty.

I have the honour to be,
Your most obedient and humble servant,
(Signed) W. S. FIELDING.

The Right Hon.

SIR EDWARD GREY, Bt.,
Secretary of State for Foreign Affairs, London.

ELYSÉE PALACE HOTEL,
PARIS, August 24, 1907.

DEAR SIR,—Under arrangements made some time ago between Sir Edward Grey and Sir Wilfrid Laurier, my colleague Mr. Brodeur and I, with the co-operation of the British Ambassador, Sir Francis Bertie, have been conducting negotiations with the representatives of the French Government with the view of enlarging the scope of the present treaty respecting the trade relations between France and Canada. While the negotiations have not yet been completed, they have advanced far enough to lead us to believe that within a few days we shall be able to prepare a draft treaty which will be acceptable to the French Government and which, subject to the approval of the Imperial Government, the Canadian Government will be willing to adopt. We shall at once submit the draft to the Foreign and Colonial Offices and shall desire their co-operation for the purpose of facilitating the formal closing of the negotiations and the completion of a treaty which, in accordance with the arrangement between Sir Edward and Sir Wilfrid, will be signed by the British Ambassador and the two Canadian ministers.

I anticipate that after a protracted and laborious session of parliament, the Foreign and Colonial Secretaries will leave London at an early day. I hope that their absence will not necessitate any delay in whatever action may be required for the completion of the proposed agreement.

I shall esteem it a favour if you will inform Lord Elgin of the state of the matter and ask him to oblige us by giving whatever instructions may be necessary, in his department, to enable the proper officers to take up the matter, if we are in a position to place it before them.

7-8 EDWARD VII., A. 1908

I have informed Sir Edward Grey of the situation and have solicited his co-operation for the same purpose.

Yours faithfully,

(Signed) W. S. FIELDING.

Sir FRANCIS HOPWOOD,
Colonial Office,
London.

COLONIAL OFFICE, August 27, 1907.

DEAR MR. FIELDING,—I am myself going away on leave to-morrow but before I depart, I will speak to Lord Elgin as you desire, and see that arrangements are made to prevent unnecessary delays in dealing with the draft Treaty.

I am very glad your negotiations have been so successful ; please accept my congratulations.

Yours sincerely,

(Signed) FRANCIS J. S. HOPWOOD.

FOREIGN OFFICE, August 28, 1907.

SIR,—I was gratified to learn from your letter of the 22nd instant that progress has been made with the commercial negotiations between the representatives of the French and Canadian governments. On receipt of the Draft Treaty which you hope to be able shortly to submit to me I will at once refer it to the Colonial Office. It must also be shown to the Board of Trade.

There will be no delay on the part of this department, and I will request the Secretary of State for the colonies and the President of the Board of Trade to expedite the matter as much as possible.

As soon as their approval is received, your full powers will be sent to you.

I am, sir,

Your most obedient humble servant,

(Signed) E. GREY.

PARIS, September 2, 1907.

YOUR EXCELLENCY,—At the close of the recent conference between the representatives of the French and Canadian governments on the subject of a proposed commercial treaty between the two countries, the following question was asked by the French delegates :—

“ Do the words ‘ silk fabrics ’ of articles 581 cover tissues of pure silk and those of which silk is the component part of chief value ? ”

SESSIONAL PAPER No. 10b

We replied that such was the interpretation which we gave to the item, but that before giving a definite reply we were desirous of communicating with the Customs authorities at Ottawa. It was agreed that we should send you the definite reply.

In accordance with this understanding, we have the honour to inform you that we are in a position to reply in the affirmative to the question which was put to us.

We have the honour to be,
Your obedient servant,
